LED BULB REBATE PROGRAM AND QUALIFICATIONS

QUALIFYING PRODUCTS

- LED Lamp
- Lumen output of 500 or higher

LED BULB REBATE DETAILS

- 50% of the cost of each bulb, **UP TO \$8 PER BULB.**
- Maximum of 50 bulb rebates per member, per year.

You must receive permanent residential electric service from United Power to qualify for rebates. **REBATE REQUESTS MUST BE MADE WITHIN 120 DAYS* OF PURCHASE.** LED Light Bulb rebates are issued a credit on the member's electric bill. Please allow at least two billing cycles for credit to appear. Submission of application does not guarantee rebate. **A photo of the purchased product must be submitted to verify qualifying product.** Photos must clearly verify that the product is an LED Bulb and the lumen output must be visible. Submitting blurry photos, where these requirements are not easy to distinguish, could cause a rebate to be declined.

***APPLICATIONS FOR 2019 PURCHASES MUST BE RECEIVED BY DEC. 31, 2019 TO QUALIFY FOR REBATE.**
